The hotel is within a 10 minutes walk to the castle and park of Schönbrunn, so you should really visit it. Schönbrunn is more than the castle. Schönbrunn is also one of the most beautiful parks you have ever seen, open from 6:00 am till 7:00 pm, admission free, take a good hour for the visit. Schönbrunn includes also the Vienna zoo, the oldest existing zoo in the world and 2009 and 2010 voted as Europe's best zoo. And of course the palace of Schönbrunn open from 8.30 am to 5.00 pm, entrance fee € 13,50, time about 1 hour. Schönbrunn palace together with its ancillary buildings and extensive park is by virtue of its long and colourful history one of the most important cultural monuments in Austria. Scheduled as a listed monument, the whole ensemble, including the palace, the park and the zoo was placed on the UNESCO World Cultural Heritage List in 1996. <http://www.schoenbrunn.at/en/home.html>.
